

MANIPAL INSTITUTE OF TECHNOLOGY

MANIPAL

(A constituent unit of MAHE, Manipal)

December 07, 2021

Dear Students,

Greetings from Manipal Institute of Technology, a constituent unit of Manipal Academy of Higher Education - An Institution of Eminence Deemed to be University. (MIT-MAHE). Hope this mail finds you and your family members in good health!

Even though there are no COVID-19 cases reported in the ongoing mass COVID testing in the campus, the COVID-19 Monitoring Committee of MAHE has reassessed the prevailing situation of COVID - 19 in the state/country. Having analyzed all the pros and cons in depth, the Committee has reached at a unanimous decision that COVID-19 scenario especially with the threat of Omicron variant spread, is worrisome.

Also, with reference to letter from Department of Health and Family Welfare, Government of India, dated 27th Nov 2021, it has been appreciated by the committee that this uncertainty is likely to cause undue pressure on the students and may have compounding effect on the wellbeing of the students.

Hence, considering the safety of students in the prevailing state of COVID'19, challenges involved in travelling from far off distances to Manipal, MAHE has decided to continue the remaining academic process for the undergraduate students for the odd Semester 2021-22 in the online mode.

The End Semester Theory Exams being planned for the 5th and 7th semesters UG courses and 3rd semester MCA course will therefore be conducted in online (proctored) mode as per the original schedule already promulgated earlier. The detailed guidelines for the online proctored examination will be communicated shortly.

We urge all the students to adhere to COVID protocols and follow safety guidelines issued by Government/MAHE as informed to you by our earlier communications.

Cdr. Dr. Anil Rana
